

About the Editors

Dr. Kabirdoss Devi is an accomplished academican, researcher, and mentor in the fields of management, finance, behavioural finance, analytics, and artificial intelligence applications in business. She currently serves as an Associate Professor at Vels Institute of Science, Technology and Advanced Studies (VISTAS), Chennai. With a strong academic foundation and a PhD qualification, she has built a reputation for combining management research with emerging technologies such as machine learning, deep learning, IoT, and data analytics. Dr. Kabirdoss Devi has authored and co-authored numerous research publications indexed in Scopus, IEEE, and international journals. Her research contributions span areas including stock market prediction using AI, employee performance analytics, HR intelligence systems, financial management optimization, predictive maintenance, behavioural finance, and consumer behaviour studies. Several of her works focus on real-time analytics and AI-driven decision-making frameworks that bridge the gap between academic theory and industry practice. Apart from research, she is actively involved in mentoring students, organizing academic initiatives, and promoting innovation-driven learning environments.

Dr. Omkar Sonawane, currently working as an Assistant Professor in the Department of Defense and Strategic Studies, Savitribai Phule Pune University. He is a passionate educator, mentor and academic researcher with more than fifteen academic publications focusing on Cyber Security, National Security and International Relations. He holds a Ph.D. in Cyber Security and India's National Security, and A Best Paper Award. His work primarily focuses on Cyberwarfare, Cybercrime, Technology, National Security and Geopolitics.

Dr. Anuja Jain is working as an Assistant Professor in the Department of Sociology, University of Rajasthan, Jaipur. She completed her post-graduation and Ph.D. from Jai Narain Vyas University, Jodhpur, Rajasthan and has qualified UGC-NET. She has successfully completed a minor research project granted by UGC SAP-DRS-III and is currently supervising three Ph.D. scholars. She has presented papers in various National and International conferences and has also been invited as a keynote speaker. Her research articles have been published in reputed journals and edited volumes. She has edited the books entitled "Embarking of COVID-19: A Zoological Concept and it's Sociological Dimensions" & "The Rise of Feminine Leadership (Edition-I)". For her remarkable contribution to education and research, she has been honoured with the Swami Vivekanand Women Achievers Award. She is also an active member of several professional organizations.
