About the Editors.....

Dr. Imran, a dynamic resource person at the Azim Premji Foundation in Chittorgarh, Rajasthan, brings a wealth of expertise and a passion for education to his role. With seven years of teaching experience, he stands as a seasoned educator, influencing the academic landscape in profound ways. An illustrious alumnus of Lachoo Memorial College of Science and Technology, Jodhpur, affiliated to Jai Narayan Vyas University, Dr. Imran earned his Master's degree in Zoology with a specialization in Entomology. As a researcher, Dr. Imran has made significant contributions to the field, with numerous research papers published in national and international journals. "Investigating the intricate dynamics of crop pollination and floral interactions, his research focuses on non-Apis bees belonging to the Apoidea family within the Hymenoptera order of Insecta, specifically exploring their role in the unique ecological context of the Thar Desert in Rajasthan".

Dr. Habib Pathan, an esteemed Assistant Professor in Zoology, boasts a stellar career with nine years of dedicated teaching and research experience. An illustrious alumnus of Lachoo Memorial College of Science and Technology, Jodhpur, affiliated to Jai Narayan Vyas University, Dr. Pathan earned his Master's degree in Zoology with a specialization in Entomology. Dr. Pathan holds a doctorate degree from Jai Narain Vyas University, Jodhpur, Rajasthan, where his research focused on phenotypic studies of the Leaf Cutting bee *Megachile lanata*—an important pollinator in India. His doctoral work stands as a testament to his commitment to understanding and preserving the vital role of pollinators in ecosystems. A prolific researcher, Dr. Habib Pathan has contributed significantly to the scientific community with numerous research papers published in national and international journals. His dedication to academic and research pursuits makes him an invaluable asset to the academic community, embodying the spirit of excellence in zoology.

Miss Seema Yadav is currently charting new frontiers in the realm of entomology as she pursues her doctorate degree in the Study of Nesting Biology of Stingless Bee *Trigona irridipennis* Smith in the Ecosystem of Jodhpur, Rajasthan at Jai Narain Vyas University, Jodhpur. Her academic journey is a testament to her dedication and passion for unraveling the mysteries of the natural world. Her commitment to academic excellence is rooted in her Master's degree in Zoology with a specialization in Entomology, earned at Lachoo Memorial College of Science and Technology, Jodhpur, affiliated to Jai Narayan Vyas University. Beyond her academic pursuits, Miss Yadav is an active participant in the academic community. She has attended different seminars, workshops, national, and international conferences. Her enthusiasm for exploration and dissemination of knowledge positions her as a promising figure in the academic landscape.
