

## ABOUT NIRWAN UNIVERSITY JAIPUR

Nirwan University, Jaipur was established by the Govt. of Rajasthan vide ACT No. 2 of 2017 and recognized U/s 2 (f) of UGC ACT 1956. The University has been empowered to award degrees under section 22 of UGC Act. NUJ has thirteen different faculties with seventeen schools. The University provides guidance and knowledge to the students in more than seventy programs ensuring high quality traditional and modern education. The University is situated in Jaipur, the capital of Rajasthan. NUJ is a successful venture of "NIRWAN CHARITABLE TRUST" and is one of the prominent choices for higher education among the students.

## ABOUT THE BOOK

This book is focused on the Indian economy which faces a spectrum of challenges, from high unemployment and income inequality to a significant informal sector presence and periods of slow economic growth. To navigate these complexities, policymakers are implementing a range of strategic measures. Skill development initiatives and financial inclusion policies aim to enhance employability and integrate the informal sector into the formal economy. Industrial reforms, coupled with social welfare programs, seek to stimulate growth and address poverty. However, challenges persist, including rapid population growth, infrastructure deficits, global economic uncertainties, and the imperative of environmental sustainability. This book emphasizes the need for comprehensive and strategic approaches to surmount these challenges and foster inclusive and sustainable economic development in India.

## ABOUT THE AUTHOR

**Prof. (Dr.) Ravi Kant Modi** is currently working as an Professor & Dean in the Department of Commerce and Management, Nirwan University Jaipur, Rajasthan, India.
