GLOBAL RESEARCH INNOVATIONS & TECHNOLOGY  
(IJGRIT)**

An International Multidisciplinary Quarterly Peer Reviewed Refereed Journal

Volume 03

No. 04

October-December, 2025

**CONTENTS**

|     |                                                                                                                                             |       |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------|-------|
| 1.  | A Review of Social Media's Role in Digital Marketing<br><i>Dr. Deepika Chaplot &amp; Kanisha Jain</i>                                       | 01-08 |
| 2.  | The Role of Artificial Intelligence and ChatGPT in Enhancing Mathematical Reasoning Skills<br><i>Prachi Chavan</i>                          | 09-14 |
| 3.  | From Fragment to Form: Exploring Multidisciplinary Insights in Susan Howe's Poetry<br><i>Simranjit Kaur &amp; Dr. Sharan Pal Singh</i>      | 15-20 |
| 4.  | Urban Sustainability in Jaipur: An Analysis of SDG 11 Indicators in Its Urban Landscape<br><i>Aman Agrawal</i>                              | 21-25 |
| 5.  | Ecological Migration and the Transformation of Human Nature in Munshi Premchand's Godan<br><i>Ms. Mradul Ranawat</i>                        | 26-30 |
| 6.  | Identifying Key Predictors of Loan Fraud: A Machine Learning Approach<br><i>Shama Rani &amp; Prof. Anil Kumar Mittal</i>                    | 31-35 |
| 7.  | Role of Artificial Intelligence and chatGPT<br><i>Priyanka Morwal</i>                                                                       | 36-42 |
| 8.  | Sustainable Development and Socio-Economic Growth in Matsya Industrial Area, Alwar<br><i>Dr. Samay Singh Meena &amp; Rakesh Kumar Verma</i> | 43-46 |
| 9.  | Yoga as Recovery from Birth Trauma<br><i>Sharmistha Roy</i>                                                                                 | 47-50 |
| 10. | AgriTech: Advanced Farming Using Machine Learning<br><i>Kirti Dahiya</i>                                                                    | 51-60 |
| 11. | Satellite Communication: Breakthroughs, Barriers and Benefits<br><i>Jitendra Kumar &amp; Dipendra Kumar Saini</i>                           | 61-65 |

|     |                                                                                                                                                                                                                         |         |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 12. | Dynamic Manpower Planning Models: A Mathematical Framework for Sustainable Organizational Growth<br><i>Dingankar Prathamesh Abhay &amp; Dr. Vishwajeet Goswami</i>                                                      | 66-72   |
| 13. | Ecstatic Human Existence and Divine Love: Understanding the Universe Through Science and Bhakti Yoga<br><i>Dipandita Gogoi &amp; Prof. Rajesh Kumar Kaswan</i>                                                          | 73-76   |
| 14. | An Investigation on the Use of Artificial Intelligence in the Accounting Industry with a Focus on the Service Sector<br><i>Dr. D. Selvaraj</i>                                                                          | 77-80   |
| 15. | CEMENT COMPANIES' PERFORMANCE IN INDIA: A REVIEW OF ULTRATECH AND GRASIM'S FINANCIAL PERFORMANCE<br><i>Mr. Priyadarshan. K</i>                                                                                          | 81-85   |
| 16. | Transitioning to a Green Economy: Opportunities and Challenges for Indian SMEs<br><i>Nisha Meena</i>                                                                                                                    | 86-90   |
| 17. | Effect of Advertising Medium (Digital Ads vs. Print Ads) on FMCG Purchase Intention (Examine how ad Channels Shape Consumer Awareness and Buying)<br><i>Shashi Mohan Sen, Dr. Harvansh Lal Maravi &amp; Awesh Goyal</i> | 91-95   |
| 18. | Changing Consumer Behaviour in the Digital Age: A Conceptual Study of Online Purchase Decision-Making<br><i>Variya Devangi Manharbhai</i>                                                                               | 96-99   |
| 19. | Women and Migration: A Sociological Study of Brick-Kiln and Construction Labourers in Rajasthan<br><i>Rinku Parihar &amp; Dr. Raju Singh</i>                                                                            | 100-106 |
| 20. | Comparative Performance Analysis of AI Models for Short-Term Solar Radiation Forecasting using Meteorological Parameters<br><i>Vinay Gupta &amp; Dr. Shyam Sunder Kaushik</i>                                           | 107-112 |
| 21. | Harnessing Artificial Intelligence for Auditing and Assurance: Challenges, Opportunities, and Policy Directions in India<br><i>Dr. Vandana Gupta</i>                                                                    | 113-120 |
| 22. | Psychological Well-Being and it's Impact on Sports Person<br><i>Dr. Shaily Mishra</i>                                                                                                                                   | 121-124 |
| 23. | Pollution and Environmental Health in Bharatpur District, Rajasthan, India: A Comprehensive Assessment<br><i>Dr. Jitendra Kumar Rainkwar &amp; Dr. Mahesh Chand Meena</i>                                               | 125-129 |

|     |                                                                                                                                                                                                        |         |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 24. | Exploring the Intersection of Open and Distance Learning, Sharing Economy and Economic Development: A Systematic Literature Review<br><i>Dipayan Singha, Dr. Anirban Ghosh &amp; Dr. Amit Majumder</i> | 130-138 |
| 25. | Application of AI-Integrated HRM Practices<br><i>Dr. Pragya Priyadarshini Harsha</i>                                                                                                                   | 139-151 |
| 26. | Exploring the Role of Discourse Analysis in Natural Language Processing: A Comprehensive Review of Applications and Insights<br><i>Shagufta Farzana &amp; Dr. Anrita Verma</i>                         | 152-162 |
| 27. | Cyber Security Issues and Challenges in E-Commerce<br><i>Dr. Neelam Kapoor</i>                                                                                                                         | 163-168 |
| 28. | Analyzing the Role of Sensory Elements (Auditory, Visual and Olfactory) in Enhancing Consumer Experience in Service Establishment<br><i>Dr. Ashish Mathur &amp; Dr. Ranjeeta Madhwani</i>              | 169-180 |
| 29. | Impact of Protectionism and Trade Wars on the Contemporary Developing Economies and Legal Healing<br><i>Yash Bapna</i>                                                                                 | 181-188 |
| 30. | Sustainable Development Goals (SDGs): A Geographical Perspective<br><i>Dr. Shiv Shankar Meena</i>                                                                                                      | 189-199 |
| 31. | Artificial Intelligence as a Strategic Tool: Adoption and Impact on Indian Business Management Practices<br><i>Dr. Mahesh Chand Meena &amp; Dr. Saroj Kumar</i>                                        | 200-204 |
| 32. | Rethinking Bookkeeping: Transition from Manual Ledgers to Intelligent Accounting Systems<br><i>Dr. Bihari Lal Soni</i>                                                                                 | 205-217 |
| 33. | Green Synthetic Approaches to Mesoionic Oxazolium and Thiazolium Derivatives<br><i>Ram Singh Kalwania &amp; Dr. Kailash Sharma</i>                                                                     | 218-224 |
| 34. | Evaluating the Role of the National Human Rights Commission in Transforming Indian Penology<br><i>Tejaswini Gaurav Belsare &amp; Dr. Dharmender</i>                                                    | 225-229 |
| 35. | Impact of Artificial Intelligence on Managerial Decision-Making and Financial Reporting<br><i>Paras Anand</i>                                                                                          | 230-236 |
